# Summer Groups 2017

The following are descriptions of COTI's summer group offerings. Our summer groups are designed and run by occupational therapists who have your child in mind. We help make developing new skills fun for everyone. Whether the group you choose is geared toward fine motor skills or social skills; your child will engage in activities with other children that will leave them smiling. We hope that you find something just right for your child.

All groups are led by licensed occupational therapists and have specific therapeutic goals. The cost of each group is calculated based, to a large extent, on the ratio of therapists to children. Medical insurance typically does not pay for groups. A \$100.00 deposit is required to secure a spot in a group. Payment in full is expected by the first group session. A free screening may be required to ensure your child is matched to the best possible group.

COTI also offers a full day camp throughout the summer (June 12<sup>th</sup> – August 4<sup>th</sup>). As always, individual therapy is also available. For information on Camp OdakOTa or individual occupational therapy please call 791-5688 or check out our website at [www.cintiOTInstitute.com](http://www.cintiOTInstitute.com).
